Can't get enough, everyone's away Nothing to
it ah, past back With some help the jails are
full Nothing to it the city's dead A singalong
surface ah, past back With some help the city's
dead

Come in the picture I'd be off of No read
please explain coming down sharply By defini-
tion, don't stop it I didn't No ready please ex-
plain I'd be off of A stonewall if I didn't By
definition, don't stop spare casle lies around

A tiny brain if you do it Backaway a head lives
large Wings take over things going on Back
away ideas about huh Coming from the front
things going on Wing take over if you do it

Be holds off another chapter Draws parallel
in the book Paints the town another chapter
Draws parallel at his life Rarely speaks in the
book Paints the town they do then

Most beautiful displays keep room for dessert
Schemes of fire ants furnish means of discovery
The same may be said pockets of the clothes
dryer Schemes of fire ants appear upon the
scenery The boatman's waters furnish means of
discovery The same by said appear upon the
scenery

Tongue runs around body goes cold Anytime
soon pin this on not-me A loop of something

doing all this time Anytime soon body goes
cold Snaps them close doing all this time A
loop of something murmur into mouth

Reach over, grab phone to ear Too far away
dog on a catwalk Reach by phone cover over
Too far away out the whole Casual walk away
cover over Reach by phone phone to ear

Muscles tighten breeze into town Oh, sure,
parking hit up on it Thoughts feel like breeze
into town Oh, sure, parking Ernie loves
Veronica About halfway down hit up on it
Thoughts feel like laugh once more at

Walk on stage if asked about it And said
nothing roaring drilling By mere words think
deep needs And said nothing and it's working
Dreams of the adepts roaring drilling By mere
words and it's working

Refuse to serve interactive waitress Beat goes
on wind up feeling The most humble figure out
how Beat goes on interactive waitress Splash
supports group figure out how The most hum-
ble a holding levee

Your plan only so far Don't peepturnpaw
Asking one words go Don't peep buy regret
Green go words go Asking me only so far

How what's being said nothing but hilife Beep-

beep back up a sphere to sparrow Were as
the eyes and ears nothing but hilite Beep beep
back up a walk in the clouds Daydream ma-
chinery a sphere to sparrow Were as the eyes
and ears tire as air fills up

Ear lean retrace steps Double line cross remains
 unsaid Side of the eye get me down Double
 line cross that being said Some, go off remains
 unsaid Side of the eye that being said

Rack brains store up finger of sky At death's
 door within shooting distance Sparrow dust up
 a blame wind At death's door finger of sky A
 single plane a blame wind Sparrow dust up
 tape hints

Work out light weigh number Now you go
 witness pinking Work through name a figure
Now you go thumb on la scala Sheer seen
 through witness pinking Work through thumb
 on la scala

Small wonder it's like leaving Footfalls as, lis-
 tening, uh Go on for years in a way Footfalls
as it's like leaving Frog cog in a way Go on
 for years things happen

Especially nice especially since Leave open the
 road be in ham medium For nothing else take
 that next step Leave open the road a pinch for
 some if Be brought about as take that next step
 For nothing else especially since

Instruction writ out uh oh Better late halo ofeo
 Clouds clouding uh oh Better late early codger
 date Sink me all of time halo ofeo Clouds
 clouding jet fuel tang

Toweling off after eat like a bird Who knows
 who know rain is likely Less kimono future
 sneak good looks Who knows who knows
 Looks like rain Alpha towel omega rain is likely
 Less kimono future looks like rain

Mistake are made step-by-step whatever Not
 sure likable working working working A sliding
 door danceable Not sure likable step-by-step
 whatever Not needs not needed danceable
 A sliding door a snowy peak

You been thinking am sometimes asked Guess
 I'll live clothes inhabitants Corners the pictures
 it's anybody's What's what Guess I'll live
 that having been said Rush out buy album it's
 anybody's What's what Corners the pictures
 am sometimes asked

Thought for thought than All for not for Food
 for thought than All for leg end Allege real
 not for Food for anymore

Tan line fade in sip coffee Can only dream
 about ask them The final clue lies off it Can
 only dream about a little too hard You get the
 hang of off it The final clue lies sip coffee

Flippant greens false fronts Take in war water
like water Breezy false fronts Take in war add
mitts Luan applause water like water Breezy
hollow causeway

Didge say wattage confidence lost At once
upon bleeding clatter Can sense us for car-
ing At once upon perfectly at home Such a
slate bleeding chatter Can sense us perfectly at
home

Eyes close sinking having said that Dog place
too long every corner A special thanks talks at-
mosphere Dog place too long having said that
If calories quote talks atmosphere A special
thanks cause for

Move around on one wheel Come rest on bird
walk If anybody does stop for Come rest on
but what if they Walk funny without stop for
If anybody does on one wheel

A big gong but not as one Down inside be
hunting Closing up but not as one Down
inside on and off Feel a sigh be hunting Clos-
ing up come alone

That's them for after all Something very old
bring enough for all Listen to yourself feeding
Something very old it can't hunt Know what's
good bring enough for all Listen to yourself it
can't hurt

Unswerving talk to me Glean trees faint signal
 Sexish mylar puppy cute Glean trees talk to me
 Feels odd, even, puppy cute Sexish mylar as
 you travel

Comma come in common haves Please place
 cross main Makes it official flowers water
 Please place beseech button Seat guests flow-
 ers water Makes it official common haves

About that painting scarcity of iron The great-
 est thing senoking house wall angles Smooth
 out skyline side of the mouth The greatest thing
 speak from the insides Adoring the ornery city
 smoking house wall angles Smooth out skyline
 speak from the insides

Just moments force to admit Cool to and touch-
 ing prayer hints oration heat To whom it may
 don't rub it in Cool to and touching force to
 admit Dry rub with just ice don't rub it in To
 whom it may didn't I just say that

A cloud for it mind's a funny Then glide apart
 image commonplace Get a thought lending a
 hand Then glide apart pill's crawlspace Keep
 still inside lending a hand Get a thought mind's
 a funny

Looking at flowers on foot almost A letter rest
 down to cers Anybody said on foot almost A

letter rest look not lab Talking to bees down to
cars Anybody said the white coat

The angels of the walls for everybody's good
Having usuals it's the voice tattoo Invisible lips
move ball in the eye holder Having usuals the
car's loaded Disues be follow it's the voice tat-
too Invisible lips move the car's loaded

Last meal, then it's only Next meal bleak guiter
groups Out your way then it's only Next
meal bleak a reason why Shit news on guitar
groups Out your way who said what

The flip side myself go by Tooken place sil-
ver lining Common freefall did just happen
Tooken place eyes lie in wait Always lawyers
silver lining Common free fall yes lie in wait

Clean breast of take hard Much darker right
before Bomblats the evening before Much
darker take hard Muchos gracias the evening
before Bomblets upon a timer

What others think either are is It's all about
look for ways Sides both something prove It's
all about must have felt Will be sharon some-
thing prove Sides both either are is

Will call alter twint Wanna watch appear as it
Valley plurals twint Wanna watch into usage
Let it rain appear as it Valley plurals hook leads
to

Base on nothing aside the stages A map shows
 who knows you Doze as those said you'd tell
 A map shows aside the stages Not the beyond
 said you'd tell Doze as those never go hungry

The driver said twin with the Schwinn Ask me
 if wink wink Never print legend weaponizing
 Ask me if see everything Pass it along weapon-
 izing Never print legend twin with the Schwinn

Lifts off from spin Medea Woven vowel red out
of the blue Feeling good spin Medea Woven
vowel and now look Simple as that red out of
the blue Feeling good deplete shadow

Says it all, never learn And this is why it's time
Like a cloud as will be shown And this is why
some other place Forget words it's time Like
a cloud some other place

Read a law o'er jurisdiction Right angles a mo-
ment too soon Ask don't tell the twin studio
show Right angles o'er jurisdiction Like it's
gone the twin studio show Ask don't tell flower
let's face it

Sweet dance a native speaker Nearly you come
to believe On a street dogs woofing Nearly
you tweet and wheel Your tomorrowism dogs
woofing On a street a native speaker

Molearlar true shoe Bang bang comes to be
Give and take true shoe Bang bang ringtone
rests Calls graze comes to be Give and take
cure case

Last days on earth hat in dirt Naked for money
almost a stopover Take deep breaths gnatty air
(dread) Naked for money Wait your wrong
call A theme hammock almost a stopover
Take deep breaths Wait your wrong call

Strike down What call As note similar vein
 Keptouch know how As note what call Go
 to show know how Keep touch What's doing

Ever hope for before time out Move runs into
 not far below Without saying before time out
 Move runs into building as does Friend of a
 friend not far below Without saying feeling's
 version

Speech comes really familiar Unnamed 3rd
 person only knows Move away from, see there
 today Unnamed 3rd person as a finger As we
 now know only knows Move away from as a
 finger

Still life base on tear issues A sense in often
 done Connect with come to believe A sense
 in a tear issues New way intern come to be-
 lieve Connect with a way even

Just when it seems a last tooth Upon as once
 the stage for Ahead of myself describe earlier
 Upon as once pass for everyday Sunny spots
 describe as earlier Ahead of myself a last tooth

As if comes up likely not to Path with roses
 mutual sofas Looks deep within likely not to
 Paths with roses undercover Tarry still mutual
 sofas Looks deep within undercover

Verb lather counterclockwise Hunger enter-
 tains now's now Declining roads after thinking
 Hunger entertains water cold Tell overlord's
 now's now Declining roads water cold

Fake bank lie elsewhere Out from shore close
 automatic climate Chance you take let's face it
 Out from shore lie elsewhere Letter capitols
 let's face it Chance you take visible to eye

It's a given more perfect union How she did
 get me wrong Only in ways going to do How
 she did we now know Swamp drain going to
 do Only in ways more perfect union

As it turns vice versa screw Surrounding glow
 ride in on First to go vice versa screw Sur-
 rounding glow as simple Spinal odalisque ride
 in on First to go, raining on

Off the hook happens in Face free to new you
 Nothing comes of among bones Feel free hope
 for Really does know to new you Nothing
 comes of hope for

Living at rest under Wine the room a shade it
 Lasso regret something happens Wire the room

rest under As play something happens Lasso
regret hold nose

On by skin come to Seamless picture good-
will completes Shadow very good do about
Seamless picture be known Hoofbeats do
about Shadow very good come to

Ever house rings bell Been before wheel re-
moves Know nothing rings bell Been before
don't get away Hadn't went wheel removes
Know nothing ribbling

Leave it all express repeat Assume wrong a
mild breeze Say you want bright new As-
sume wrong far distance Be wrong a mild
breeze Say you want far distance

American hand likes to say As oppose to what
nice to know Grasp easy down broker As
oppose to what like to say Lever large down
broker Grasp easy story breaks

Coulda knock me over the look of reason Al-
ways a first time clear up to this day Next
week's the last day puts upon a smile Always a
first time raise as an eyebrow An orphan level
puts upon a smile Next week's the last day the
look of reason

The hero of quote an obvious example Can't
really say future seems them Come to believe

an obvious example Can't really say jumps
mentally Easy to see why future sees them
Comes to believe there are others

The machine trusts you into collateral access
Woven together sure to come up Over horizon
concerto with width Woven together so, let's
think it through Pure lights go on sure to come
up Over the horizon so let's think it through

Comes next over and out life forms Lonely cool
breeze breath like freshets Said all along climb
stares Lonely cool breeze over and out life
forms Bowling for djellabas climb stares Said
allalong ghoulist never enough

Down on earth sky burns despite Blink, blink
close approach knock off Machine goes on
look younger fact Blink, blink there's no wary
House music flood look younger fact Machine
goes on sky burns despite

On the phone become clearing Behind smile
put on another way When and where trickle
down Behind smile sooner than Verse engi-
neer trickle down Where and where become
clearing

Gotta escalator Tell the truth green in memos
Look other way escalator Tell the truth hear big
Little understood green in memos Look other
way look at me

Just what happens on many hands Drink
 from nails scratch Run through petal associate
 Drink from like-minded Small up nails scratch
 Run through like-minded

Walks up to see a baby Back from whence
 meta phenomena Spaceship lands bad feeling
 Back from whence see a baby A bagel lifts bad
 feeling Space ship lands not human

Pleasant surprise music secret String of main-
 frame door frame Family cells be direct
 String of neat best Hover above all be direct
 Family cells music secret

Pay with time necessary at the time The need
 for great message Drop off necessary at the
 time The need for strangers' stars Plum smile
 get message Dropoff so and so

Next step take come across But because real
 complicated Up to deal in But because day
 made Could be real complicated Up to day
 made

Press say so more step Talking out of not some
 Story of how under weather Talking out of
 more step Say no return under weather Story
 of how like what says

Sickens me to think second wind Arise out
 of perfectly capture Closes west nay say any
 Arise out of morning until Disco full nay say
 any Closes west second wind

Far as we know repeat the unthinkable Can
 agree on no mention of Say any day repeat
 the unthinkable Can agree on how we get in
 Behind the scenes no mention of Say any day
 burden of proof

Inside body many syllables Interpret as not
 steps Pretty much has the floor Interpret as a
 platform Ever even next steps Pretty much a
 platform

Open question for talking to Suggestion of war
 goes on Been underfoot split in Suggestion
 of for talking to Desire be on split in Been
 underfoot act on what

Like the sound of cloudy, blue hint Saying
 anything give remove You know it's true be-
 fore I knew it Saying anything wash and wear
 Without saying before I knew it You know it's
 true cloudy, blue hint

Draw next to, even with Knowing look going
 on to Pretty ending even with Knowsing look
 hook up Pretending going on to Pretty end-
 ing not knowing

In a way attention pays As an insider hum to
 hearings Went on answering spoken for As
 an insider too short Work a now hum to hear-
 ings Went on answering too short

You could say and depart Like nothing else dip
 toe in Looks as though know how sells Like
 nothing else and depart Going into know how
 sells Looks as though kinda sore

Do yourself a favor who's next Just getting start
 neither sizzle Just say that fill in for Just get-
 ting start same sentence Down the pick fill in
 for Just say that who's next

Nothing but grief most cases Makes right guess
 while Burns bright most cases Makes right so
 what Guess while same sentence Burn bright
 end up

Yes and no prelim evening Wildfire burn-
 ing wind elapse Work out how good or bad
 Wildfire burning not the time for Vegetation
 bearings wind elapse Work out how not the
 time for

Kick the door in comes to mind Ignore rose
 window have the chance Show ticket but ask
 yourself Ignore rose window comes to mind
 Any wants syntax but ask yourself Show ticket
 monkey with dinner

Tableau hold view Find line sounds like Just
 love it know the face Find line it's later now
 Feel none know the face Just love it hold view

Man found no tie required Come and go high
 clouds Ear off no tie required Come and go
 speaks through With me high clouds Ear off
 sounds good

Recon by fire shine off Word comes back any-

thing to show Despair shine off Word comes
back on pitch leeway Along tree line anything
to show Despair much about know

Never deliver before for granted Seems, makes,
sense list by name Order in, they're called
Seems, makes, sense body echo Clean up after
list by name Order in body echo

It'll come to me an armless glide So happens
here on in Cup cola about vague So happens
more mental Roof elsing here on in Cup cola
more mental

Lead out didja have On the face others thingst
Something comforter amazing is how On the
face didja have A while offer amazing is how
Something comforter the daddy says

When it comes to unraveling Expect things
room more More about why about chest high
Expect things don't look alike Wheelie amazing
about chest high More about why unraveling

Lut position on a tangent Buildings connect as
so many Get off on on a tangent Building
connect back in timelessness I'm listed as so
many Get off on thunder

A termite entity and some such You learn
something never the party Shall decrease
there's drugs You learn something serve stray

fact Celery pecking never the party Shall
decease serve stray fact

As told to ask for details Drink long from vari-
etal green Brook and shade projection Drink
long from ask for details Shadows rhyme pro-
jection Brook and shade want of a nail

A small roof information mad Step down from
air finds Rain for spite the word for Step
down from never fact ugly The step functions
the word for Rain for spite information mad

Ask any, make it all up Nice, friendly all is said
Unbelievable ears make it all up Nice, friendly,
when you're down They split infinitively all is
said Unbelievable ears well done

Meet the first time tab hard in momes What
they're after seems to me Paragraph out put
context in What they're after turn to an grin
Feeling welcome seems to me Paragraph out
turn to and grin

Love's end user words pour The same itself no
simple answer Leaves falling up feeling some
The same itself words pour With enough
money feeling some Leaves falling up latest
findings fence

Talking about how you say Already said still
recognize Say anything like those days Al-

ready said bit cloudy Look back on like those
days Say anything how you say

Moving into shall be special Running late I was
like Way around with shall be special Run-
ning late, the movie version More else I was
like Way around with flag top out

Fools fall in love nothing to More to talk where
care fools Unspoken on false grounds More
to talk look like a somebody Unspoken look
like a somebody

True to life by doing nothing Cue up bullshit
before election The deep background most
telling of Cue bullshit by doing nothing Steps
without interludes most telling of The deep
background his and hers

Even as you read this it's only money Repeat
yourself cell-by-cell Some who say or what
passes for Repeat yourself the days staring
Organ involved or what passes for Some who
say it's only money

A jump on tree structure Coming apart dub a
truss The rayon terror tree structure Coming
apart leave room for The streets below dub a
truss The rayon terror flower steals pedal

Always on come back as The same wrong side
with afterglow Adds up, often than not The
same wrong side write home about Some
country with afterglow Adds up write home
about

Life depends on say snow way Seen before
holy vessel Hang on every, means be good
Seen before say snow way Ever not enough
means be good Hang on every said snow

Nerve cell alphabets a line out You heard
about older pretty weird Become each other
look close You heard about a line out Bus
stands out look close Become each other but
don't

Rush out the grow stuff Did or said to more
than would Make take place reinvent yourself
Did or said to did or say Speaks greed to me
reinvent yourself Make take place the grow
stuff

A wistful blow a venue special Mouth to the
day folksong coloration Talk walk away a
venue special Month to the day walking the
dog Complete turn folksong coloration Talk

walk away, what's that about

Except for the invisible you heard are right A
chain of demand picture postcard Seems almost
inevitable draining meaning A chain of demand
not got, go fish Tangible real picture postcard
Seems almost inevitable not got, go fish

In a russian reminder upon blue water You
think you know a running story Wind sweeps
in snow era fall You think you know upon blue
water Note externals era fall Wind sweeps in
snow desert illude

To this day, hoping dress to nines Come to see
have a chance Happen in that room only so
long Come to see your oron head light Once
before said only so long Happen in that room
dress to nines

Be tempting except darker than night Every-
thing matches shade spray Beyond the valley
darker than night Everything matches reason to
live Of the strike zone shade spray Beyond
the valley hold something back

Expect unearth anything less But that's okay
know what to do Sewn in baby language a
park center But that's okay it's be asy Suf-
fering foretold know what to do Sewn in baby
language it's be asy

Anything in writing go to seed Hang on every word be easy Deeper inside waste time
Hang on every word see how much Place mark be easy Deeper inside see how much

The other words not rhyming sell In other
words it does seem Think about it seem to me
In other words not rhyming sell Yourself on
yourself seem to me Think about it similar shit

Everyone's looking day to day Cover to coven
through a pocket Icing kiss off poverty sky line
Cover to coven basically good From day one
poverty sky line Icing kiss off day to day

Not a knock on eaves dripping Stitches drop
how go about Day before elastic eaves drip-
ping Stitches drop doing the telling Satanic
milling how go about Day before elastic look-
ing domestic

For the offering gene pool implant Broken co
the plan implement Smell that smell the hard
drugs Broken co the waiting around On here
mucho the plan implement Smell that smell the
waiting around

Disappear vanishes clockwise from left Think
the bosses suburb reservations Lose the clothes
know for sure Think the bosses clockwise from
left Falseto embossing know for sure Lose
the clothes morning takes effect

Know how messages going on in there Said be-
fore often so-called A kiss the fact ear to grasp
Said before often it's totally obvious Resonate
idea plants ear to grasp A kiss the fact going in

there

Mind giving got away Step out on stage a break
 Give it a shot got away Step out on stage a
 special space Little to do a break Give it a
 shot logic line

Unforgiven dream resistant Eyes all on audi-
 ence unknown Can see from on a light, jacket
 Eyes all on so's the audio Stack on shelves
 audience unknown Can see from so's the audio

Bottoms up do without Could be us make do
 Life like soundtrack give perspective Could be
 us do without A ring certain give perspective
 Life like soundtrack bridge suspense

Sung by tones a horse It'll hold two-cts tow-
 elettes Improve overtones a tingling It'll hold
 a rifle Auto by a tingling Tingling overtones a
 horse

Matter of it have a whirl Listen to maggots
 it's more likely How'd you know have a whirl
 Listen to maggots a world away Sound alike it's
 more likely How'd you know turns war off

Be about anyone but wait Noise coat had to be
 What's going on been eating at Noise coat to
 slow stew Turns heads had to be What's go-
 ing on to slow stew

Knock you out for years inside Light to proverb
come to shove Sit on stoop speak paint Light
to proverb for years inside Shove pronoun
speak paint Sit on stoop fly light

With an instruction on account When people
say by size No telling nothing very believable
When people say pro in apropos Basically on
your own very believable No telling nothing on
account

Two pool talk mere light Sends me back vision
version Secret imagery mere light Sends me
back v-v-vivid A moment there vision version
Secret imagery please refrain

Tune in vise grip advice Inbuilt good reasons
its own device Made to dance besides In-
built good reasons well-spoken stranger Ebriate
inward its own device Made to dance well-
spoken stranger

White lines so happens Hang on peg meat to
order Forget the el good reads Hang on peg
so happens Can't count on good reads For-
get the el don't go into details

Lies in true crib early vowel Dust covers kayak
What's the rush pound juicy stake Dust covers
off on Heart cliffs pound juicy stake What's
the rush early vowel

Neat blue shit great view Bee land on much of
anything Incarnation great view Bee lands on
grace base Seen on Johnny much of anything
Incarnation breath intake

See a deep strongly doubt Can't know about
fact that Maybe very in tiny little Can't know
about spend needs Call it what you fact that
Maybe very spend needs

Stand for on target If ture dissect surprise Ta-
ble oh's nature, what's doing If tune shadow of
redoubt Open diff nature, what's doing Table
oh's on target

Far from alone able to prove Truth slipknot
work case Ask so me body able to prove
Truth slipknot being nervous Lead to believe
work case Ask so me body we see how

Start poison tongue around Are you or are you
done over Under nose string along Are you
or are you naked razor Fold along done over
Under nose naked razor

Talk into the can tidbit facts String alone drama
mine, all A real original backup beep String
alone tidbit facts Goat got back up beep A
real original just like real life

Trees catch breeze said or did Winter turn bor-
ing initiation fingertips All arroz tongue at hang
Winter turns boring usual clams Spain in first
tongue at hang All arroz said or did

Running thin mistake for Go light the cover

story Back on baby mistake for Go light
go on without Wow worship the cover story
Back on baby gone daze

Sweep forehead vet half life A breather radioac-
tive small Fold sleep upon address pushes A
breather a footnote Curricula usuly radioactive
small Fold sleep upon a footnote

Wall part look for red lights Switch subject
on your back Clothes are back no way out
Switch subject look for red lights Not just here
no way out Clothes are back head for

Free or airs petit point of not return Down
to earth very, how you say Descending form
less great outdoors Down to earth stare into
own mind Last stage drops less great outdoors
Descending form petit point of no return

Walk the wolfie in the front seat Light sur-
round sound love in the hair Think thoughts in
the front seat Light surround sound wax now
Human smell love in the hair Think thoughts a
little nearest

Fold in fours a feeler Tell heart tale smile know-
ingly Like many sleepers a nice foil to Tell
heart tale going with cities Have the ayes smile
knowingly Like many sleepers going with cities

And what have you pool transparency A

delicate touch slip outside Make up your
own mind leave aside A delicate touch pool
transparency The late great trees leave aside
Make up your own mind handle the simple

As to when hung up on Scenario plays out
cast about Work capture too far Scenario
plays out so many errors Ask me what too far
Work capture hung up on

Rivalry filet questionable equest Resonate we
have here Miss the part questionable equest
Resonate we have there A repair writ we have
here Miss the part tilt forward

Nadja side effects be party to Compare ring
tones first hint Unveil and promise pass it on
Compare ringtones later said Underlining first
hint Unveil and promise later said

Young'un night percent margin Puts out none
of us seen State of mind only headlines Puts
out percent margin What of only head lines
State of mind in the gutter

Discuss gust swept away on Puts it at state of
the art Circle off success story Puts it at not
saying so Eyes bring it to success story Circle
off swept away on

Falling leaves tear down that hair Die funny
yum yum yum Faux audible tear down that hair

Die funny tear down that hair Twitch twitch
yum yum yum Faux audible neat
