arithmetic sandwich,
A sandwich so enormous that Banquo turned from his arithmetic
smorgasbord--
He whirled so hard he fell on arithmetic Rosalind eating spaghetti.

Which were, if truth be told, an enormous arithmetic tent sheltering
Timon of Athens who was dealing a hand of schav
Which gradually became several paella hands of Fleance arithmetic.
These hands were onion soup arms which held the Nurse in Arith-
metic Penitentiary--
So tightly did they clasp her that Cassio swallowing gnocchi
grew aware of his sister's arithmetic,
Which he soon had by heart. King John conquered arithmetic with
a cannon of ham and eggs
Reducing it to a ruin of smoking watercress salad. Charmian's
brother's wrist arithmetic
Now covered his entire body. Prospero's weinerschnitzel book
on arithmetic
Is the definitive work on arithmetic. A cry of Gildenstern yogurt
Insisted that it was the denitive work on everything, and La Pucelle
destroyed her almond cookie arithmetic,
Which was totally obliterated by the Thersites baked beans. An
arithmetic drum
