Drama

Cleopatra, Queen of Egypt

Cleopatra, Queen of Egypt, d. 30

**World of...**

A black and white photograph of a bookshelf. The shelves are filled with books, but they are out of focus. A small, light-colored label is attached to the edge of one of the books, displaying the word "Reality" in a bold, sans-serif font. The lighting is dramatic, with strong highlights and deep shadows, creating a sense of depth and focus on the label.

**Reality**
